I praise God for my new church family! What an awesome time I had in Williston with all of you! It was an honor to be able to come to Liberty's Annual Congregational Meeting. My heart and thoughts are there everyday! Having the opportunity to come and spend time with the church before we move was truly a blessing! I eagerly await our move and I look forward to the work the Lord has for me in Williston with my new church family!

Please continue to pray for our move as we still going through the process of financing a house. We are interested in renting if something opens up....at least for the short term.

I know that God will open a door soon in order that we have a place to live in Williston! Whether it is a house to buy or a home for us to rent, again please join me in prayer over this. Please keep your eyes open for any other options as well. We never know what God may have in store!

My thought from the Word for this month comes from Ephesians 6:12. Right now in my life, with my current situation and anticipation over our up-coming move to Williston, we have had some difficulties in working out the details for our move. It seems that something is trying to keep us from coming. I know that it is God's will for us to be there. This is what makes it hard...knowing it is God's will yet it seems impossible! This is an ever-present reminder that to serve God draws attention away from a real enemy that does not want God's will be done! Ephesians 6:12 says, "For our struggle is not against flesh and blood, but against the rulers, against the powers, against the world forces of darkness, against forces of wickedness in the heavenly places." In this passage, it is clear that Paul gives a warning and an encouragement. The warning shows that when we serve God, we will face attack from Satan and his minions. The encouragement is that when we face attacks from these forces of darkness, we know that we are serving God and that we are in His will! To be a soldier in God's army, we have to expect to have a real enemy resist us, knowing that we have the ultimate victory in Christ!

PRAYER

Prayer is a powerful telescope
 That lets the eye see far
 To the star of things as they ought to be
 From the land of things as they are.
 And prayer, too, is a microscope
 That lets the eye see near
 And count the worth of things of earth
 The heart holds close and dear.

Rejoice in the Lord always, and again I say rejoice! Have you had a hard year? Are you going through some junk right now? We need to remember to keep our eyes on the Lord Jesus. God is our great physician and He has come not only to save our souls, but to mend us up...emotionally, physically, mentally, and spiritually. God is the real deal! We can take Him at His word. Rest and better days are ahead. So, please, will you dare to rejoice in troubled times with me. Thank you, my friends.

Flipside had a great Lock In time. We ate soooooo much food and drank soooooo much soda! I had a belly ache the whole night. I did not sleep a wink and played Rock Band most of the night. In my mind, I have a hidden talent...singing. Remember it is in my mind. I am so glad for Aubrey, Andre, and the Kiel-meister as they helped lead for the night. We played AVP during the night as well. Oh yeah, we played Shuffle Yer Buns out in the snow at 3am to wake up. Only one visit from the police and they were only checking up on us with no complaints.
