Pastor Bob Leko

Dear Church Family,

Wow! Is it really almost February? Time sure does fly! I have been extremely busy, this week, I did not have time to write a detailed newsletter, like I usually try to do. I am sorry for that.

I did, however, want to take the time to thank you, for the generous CHRISTmas gift, that was presented to us, earlier this month. Melody and I were very blessed by it! We used it to catch up on some bills, which was a wonderful blessing! You guys are amazing! Thank you, again!

Have an amazing month, Dear Friends!

In HIS service,

Pastor Bob

## FLIPSIDE

Pastor Shane Kroger

I am thinking or rather, should I say remembering. I am looking at a picture of Micah when he was little. It is taped to my computer where I can see it everyday. I have him all dressed up like Napoleon Dynamite and he looks the part. What a cute little boy! It is so fun to remember better days, to remember how things used to be, but we can never stay there. We are ever pressing forward, stretching out towards a goal. It can be tough at times to venture forward, risking it all. I am sure glad that we have God to guide us onto a path that is lit by Him.

We held one whale of a Halo Tournament this last month. We had so many kids here that it was kind of awesome! We had to actually start another tournament just so everyone could participate. We saw new youth come and I had the chance to present them with the Good News. I also had participation with Pastor Chris from the Assembly's Church.

The Underground has been going well. We continue to see lots of youth venture through our doors and much teaching, training, and modeling for them. We have gotten some new games, which is cool. We may be mixing things up a bit with food as soon as we have enough help each day. We are currently looking for some help on Tuesdays and Thursdays.

At Flipside we have gotten into playing some more games. We had a great game of Snow Football some weeks back, with Broom Ball and Turkey Bowling to follow. We have started back into the Gospel Journey Maui and hope to finish by the end of February. I have been attending some highschool games for the youth as of late. I got to watch my first ever hockey game...loved it! I also took in some basketball games.

The Game Room has been completed in painting, so now the surround sound will be put up. I am really hoping to build on some Christian music for the youth. Music has always been an important part of life, but these youth need some positive examples. One of the components that will go into each day will be Christian music, played out in the Game Room or music videos played in the Multi-purpose Room.

Some things you can be praying for are more volunteers for the youth. We also need prayer for the upcoming Brian "Head" Welsh concert coming up in April. He is a former band member of the secular group called Korn. Pray for our Skate Park Outreach coming up in August. I would also like prayer for direction when it comes to helping out Haiti. I used to live and work there, so these people are dear to my heart.

Remember to keep on keeping on.

## Children's Ministry

Happy February Church Family!

THANK YOU, To all of our new volunteers! We are overwhelmed, by your eagerness to serve, with us! What a blessing! We cannot wait to go on this journey, with this new team! Your AWESOME! Thank you, again!

Our spring curriculum has been ordered. We will continue with the Faithweaver, "Kids own worship" series. The kids really seem to learn a lot from it and have a ton of fun, in the process!

We are still looking for someone interested and gifted in decorating, to help us, with our "Lookout Island" theme. If you feel led to help, please contact Melody Leko or Gina Rosland.

Have a BLESSED month! Stay warm J!
