Dear Church Family,

Hello everyone I hope all are blessed! It is great to be a believer in Christ, all the worries that the world faces are nothing for us if we keep in mind that Christ is in control and that we are established in Him. If we understand this then we know nothing here in this world can do a thing to us without God allowing it! I see our church really growing spiritually with people starting to get excited

about living for Jesus. I can tell you that have I talked recently with many people who attend our church and who now call this church their home and they are telling me they are really feeling the Spirit of God moving in them to walk for their Lord and Savior. Nothing could be more exciting for as pastor.

With this awesome movement in our church we will face opposition from Satan. He does not want people to realize who they are in Christ. He will use everything he can to derail you personally and to derail this church from communicating the Truth of God's Word, not just in word but in action. Be on guard because the enemy is a roaring lion looking for who he can devour as Peter boldly informed us in his letter.

Let us be excited about the direction God has our amazing church going and let us raise Jesus' name high in every area of our lives. Let us be a church that is a true beacon to a lost and dying world. Let us light up Williston without fear as our home and starting point on this quest God has for this/His church. Do not fear the enemy he really is a lion without teeth, he can do nothing unless God allows it. The Bible says He who is in you (God) is greater than he who in the world (that is Satan) (1 Jn.4:4)! May God bless all of you with His mighty love and grace !!!

Alive in Christ,

Pastor Bob Leko <><

So who do you want to be when you grow up? Do you ever remember getting asked that question? Maybe it was what do you want to be when you grow up? I always wanted to be a heavy metal rock star or the Green Lantern. It is great to dream of such things, but in the end, is it really up to us? We tell our youth that they can be or do anything that they put their minds to or work hard enough at in life, but that is just not the truth. God has designed us for His purpose and His Word says it is to succeed. Jeremiah 29:11 states that, "I know the plans that I have for you, plans to prosper you and not to harm you, plans to give you hope and a future." I guess it all depends on how you measure success in the end, by our standards or God's. Who do I want to be when I grow up? I will let you know when I'm done growing, but until then I will dream of what God has for me and live out his purpose for me as best I can.

We finally finished the Gospel Journey Maui, with some technical difficulties. I will be moving onto some other topics as we go forward in March. Since we have grown in our Jr. High youth, I have decided to split up our Jr. and Sr. Highers. From now on the Jr. High will meet from 5pm to 7pm on Wednesday night and the Sr. High will meet from 7pm until 9pm on the same night. We have a good group of Adult Leaders and I am still looking for more. The Underground is going well. We are continuing to see new youth come through our doors. We have seen the boys come to Step Up and Flipside as well. As we move forward we will replace Step Up with our Jr. High Flipside. We will consider moving Step Up to another day of the week or doing at another time, later down the road. I have Seth Knudsen and Mike Rosland helping me out and continue to look for others to help.

We will be heading off to Nationals Challenge 2010 the end of June. We currently will have about five girls going along with Tia and myself. We are joining the Bethel youth out of Fargo for the bus ride to Columbus, Ohio. It should be another great get together.
