Pastor Bob Leko

Hallelujah— is the highest form of praise! That is what I have to say about our God and for Him bringing me to Williston. My family and I are very blessed to be here with such an amazing church family! We have closed on our home and within weeks of that closing have already started remodeling with the help of many awesome church family members. We have felt loved and welcomed from the day we have arrived...THANK YOU!!!

My thought from the Word for this month comes from I Corinthians 1:10. I really feel that the Lord's leading me to lead Liberty into it's community. To be able to do this we as a church need to make sure we are together in unity of that purpose. We have to make sure as it states in Acts 2:46, we have to have one mind in the temple, and that would mean to be centered on Christ and His purpose and not our own.

This is why we have been going through a "Who We are in Christ", series. To bring our focus on our identity in Christ. I Corinthians 1:10 states, "I appeal to you, brothers, in the name of our Lord Jesus Christ, that all of you agree with one another so that there may be no divisions among you and that you may be perfectly united in mind and thought." Paul is dealing with an immature young church that had problems with unity. Our church is not this church, but like all churches we need to make sure that we do not get in God's way with any of our own personal agendas. LEFC is a healthy church that needs to impact its community with it's leader leading— Christ! Let us this month and all the months to come focus on unity as a body and to hunger to let God use us to bring Glory to His name in Williston!

### **Acts 2:46**

***And day by day continuing with one mind in the temple, and breaking bread from house to house, they were taking their meals together with gladness and sincerity of heart...***

## FLIPSIDE

Pastor Shane Kroger

Hey, I wanted to share with you a scripture I was just reading this morning. It comes out of Psalm 103. The verse talks about God's goodness. It just popped off of the page at me. So often we can get caught up in our day to day struggles...some are small, but other are huge. Don't we need a daily reminder of how good God is to us. Take some time to read it today and bask in his awesomeness.

It has been so good to have Pastor Bob with us. The two of us have been spending a good amount of time praying and planning for the future of our church. It is exciting to think about what God might do with us and Liberty. I have been learning a ton from him and we have been shoring up on a few things, which is great.

We have finished up our Dare to Share materials, Gospel Journey, this last week. We now are moving onto the topic of Revelation. It will be a good study and one the youth have been asking about for some time. The gals continue to meet each week for their Bible Study entitled, "The Bride Wore White". I am hopeful that we will start one for the guys in the near future.

The Ski Trip this year went, well I guess, good. We had a bunch of fun, but it was tough to see Eric get hurt. It was neat how all the youth and adults responded to the situation and I for one am very proud of everyone. Eric has recovered very well and it has been an answer to prayer. We will see about going again next year.

The Sunrise Service and Pancake Breakfast will be at 8:15am on April 12<sup>th</sup>. Youth should plan to be here by 7am to go over songs and the skit. Please ask your youth if they are planning on being in the skit that day. Following the service, we will serve the church breakfast and then clean up. We will also plan to meet for a practice and set up on Saturday, April 11<sup>th</sup> at 10am.

I will be in the office from now on by 7am to 1pm every Monday, Tuesday, Thursday, and Friday. I will be in on Wednesday's from 2pm until whenever Flipside gets done.
