Dear Church Family,

Amazing, is the way to start this newsletter out. Our God is plain amazing! He is really doing an awesome work here in our church and in this great community of Williston. We are so blessed to be able to live in a place that is in such great financial shape. We are a light to people from all over who are moving here to provide for their families. So let us not lose sight on the most important thing that we are to do, to be beacons for our Lord and Savior Jesus Christ.

Our church is growing faster than ever and we now have people from all over the United States. I have been watching God really moving in the people of our church. We have had people saved; relationships reconciled, prodigal children brought back home, people hearing a calling to go into fulltime ministry, and older believers again hungry to be witnesses to the people around them in their lives!!! What else could be better in a church than this kind of stuff?

We just need to remember to stay in humility and put God's needs and the needs of others above our own. We need to follow God's plan for our church and not let personal agendas and self-centered plans get in our way of following our amazing God in His great ministry to our community. Paul makes this attitude of humility and what it means very clear in Philippians 2:1-11. Make sure to really meditate on verse 1-4.

Well it's time for me to get back into the good grind of working for the Lord. God bless you all and may you all be a blessing to others.

Alive in Christ,

Pastor Bob Leko

Pastor Shane Kroger

Hey folks! Not much to write this month, only to say that Jesus is alive and well! Wow, to be given grace and mercy....forgiven of sins. I find myself a little speechless when I really think about it all. What once was broken is repaired and renewed. Pretty cool.

The Underground is still running through the remainder of the school year Tuesdays, Wednesdays, and Thursdays from 3pm to 5pm. Jr. High Flipside now meets from 5pm until 7pm and Sr. High Flipside is from 7pm until 9pm.

Former Korn member, Brian "Head" Welch will be here in Williston on April 16th. Classic Crime and Children 18:3 will also be here, playing at the Well. Cost is \$8 in advance and \$10 at the door. You can pick up tickets from me and you had better do it soon since tickets are selling out fast.

There is a Lock In planned for after the concert. Cost is \$10 and will include food, soda, games, and a ton of fun. Permission/ Medical forms are required to be filled out in full to attend. Other area churches will be participating as well

Congratulations! Class of 2010
