Hello everyone,

Are you ready for summer? I am!!! As this summer is coming upon us we have some awesome opportunities to impact many people for Christ in our community. We will be having many out-reach events throughout the summer such as: A Door Hanger Day, Back-Pack Give Away, Camp Liberty, Faith in Action Sunday, and numerous open air evangelism days targeted at different

places in our community. Wow! Now that is exciting! I can't wait and I know you can't wait either!

Also, we will have all of our church ministries continuing throughout the summer, only small groups may decrease some with people going on vacations. We as a church really grew last summer because we had a very active church, so we know that we were in God will last summer and He really blessed us! So let us be a blessing to Williston this summer and share the hope and peace we have in Christ with our great community again (and again and again,,,,,,).

This will be the last News Letter to be written until the fall, so till then I will be communicating to you from church and our personal contact together. I hope you all are blessed and that Christ Light shines down on you!!!

Alive in Christ !!!

Summer is here and I'm lovin' it! I had a thought the other day, since I saw my first mosquito that maybe the people of Williston brought them all here...stay with me on this one...so that people would want to stay through our harsh winters. If you hate the summers with the mosquitoes, you'll love the winters. Like I said, it was just a thought.

But mosquitoes remind me of something else...bloodsuckers. I really hate mosquitoes and I had to laugh to myself last fall when I saw a bumper sticker that said MOSQUITO MAFIA. I guess it's a way of saying how we need to take a stand against the bloodsuckers. You know situations can be that way too. Certain things in our lives can drain us of our happiness, time, and well being. We don't seem to benefit at those times, well except for an itchy bump or bruise here and there, kind of like the mosquito. But isn't it great that God has given us a repellent to battle these situations. We have His word and He said that He would fight our battles for us. He told us that the joy of the Lord is our strength.

The Brian "Head" Welch concert was a success for all involved. We had over 600 people show up and around 50 decisions for Christ. It was fun to talk to the guys in the band and have them share a bit of their life with us. The music was fantastic!

We had a ton of Jr. High boys with us for the Lock In. We did stay up all night playing video games, organized youth games, eating lots of junk food, and drinking soda. The youth had so much fun that they want to do this again during the year. Thanks so much to all the helpers for the night.

At Flipside we had been talking about the crucifixion and resurrection of Jesus Christ.

We also are talking about the nature of God and the myths that surround Him.

We have gotten in some new cds:

The Jones—"Hello"

Winter 2010 Sampler—"Now Hear This"

Day of Fire—"Losing All"

Demon Hunter—"The World is a Thorn"

The Classic Crime—"Vagabonds"
