Children's Ministry

Summer! Aren't we all excited with the arrival of our summer season? I am even more excited about what God desires and is going to do in the hearts and lives of our children over the next three months. This summer I will be the Children's Ministry Director giving Miss Judy a well deserved break and a chance to participate in our adult services. I would like to briefly share with you what my philosophy is when it comes to the spiritual training of a child, as it will undoubtedly influence the way CM is run this summer. I believe children are created by God to know Him and make Him known to others; and that one of the most effective ways for children to learn is through hand on lessons.

Children have a God given purpose which they are to fulfill **right now**- even at their "young age". Jeremiah 29:11 – 13 says, "For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future. Then you will call upon me and come and pray to me, and I will listen to you. You will seek me and find me when you seek me with all of your heart." Some of the topics which our children will be learning about include prayer, hearing and obeying the voice of the Lord, as well as hands on learning activities focused around the 10/40 window country of Columbia. Please pray for the preparation and spiritual growth of every child who would attend our program this summer. May it be a tool in the hand of the Lord to allow our children to fulfill the purpose God has for them right here, right now!

Join us Saturday, June 20 at 1 pm for a day of Family Fun, hosted by Paul & Mary Whitaker (815 Main Street). Fun for all (come prepared to get wet). Bring a family food favorite to share!

Liberty will be collecting school supplies for the Backpack School Supply Family Day project to be held August 22nd. Watch for a detailed list to be available soon. We will be looking to our church and community to help make this project possible with donations and supplies!
