Pastor Bob Leko

Hello Church!!! I hope everyone is feeling blessed and ready for an awesome fall. We have been very busy! It looks like we will get even busier on Oct. 4th when we start two services. This is going to be a great way for our church to continue to grow! It will enable the volunteers, who serve on Sundays, with our children, to attend one of the services. That is very exciting news, isn't it? We would love to see everybody in church, on a regular basis. The only way for that to happen is for more people to step forward and volunteer in these minis-

tries. Many hands make light work! Remember my James 5:7-9 sermons, "we are on God's time not ours."

My thought from the Word, this month, comes from that same sermon. It is found in Luke 12:42-48. This passage speaks about being good stewards with our lives, as children of God (believers). God has us here to continue the work He (Jesus) has started and to do what He wants done. He has made us stewards of His time here on earth, which is the purpose for the lifetime He has given us. Are you ready, if He were to return in the next minute or day? Lets be a church that works on being ready and good stewards with our/ His time here on earth!!!

I look forward to serving in the trenches with you all; doing the work that God has set before us, here in Williston, North Dakota! What an adventure...an awesome undertaking it is! Let's get excited, together!!!

In His Service,
 Pastor Bob <><
