## A Free Voice

Pastor Bob Leko

Amazing grace how sweet it is! What could be better than God's amazing grace for us? He has freed us from our bondage of sin and a hopeless existence, which would only result in hell in the end. That is why it so easy to worship and serve God, He is just plain amazing and awesome in every way. We live for only one purpose, and that is to glorify God while we are here and when we are in heaven!

We have finished the Letter of James, and now we will begin our adventure through 1 Peter. What could better than that? I look forward to digging into the Word of God and seeing the treasure that God has for the church in this new letter. One of the major themes in 1 Peter is God's amazing grace and how that applies to believers in their position in Christ. That makes this letter even more exciting to go through. We will continue to go through the rest of letters after 1 Peter and end at Revelation.

Which brings me to some more exciting news, beginning this Wednesday, Oct. 28<sup>th</sup>, I will be teaching a Bible study in the Book of Daniel and then one in Revelation. This time will be more than just a Bible study; it will be a time of prayer. This will occur every Wednesday evening from 6:30-8:00 P.M. at the church. This is not another small group; it is a new ministry of the church. I look forward to seeing all who have an interest or leading be a part of this new exciting time of fellowship and worship through study and prayer.

Remember to keep asking yourself those wrap-up questions to James, and keep it real for Jesus in your everyday lives as you look to support your brothers and sisters in Christ and to see opportunities to throw Gospel life lines out to those who are drowning and perishing in their sin. Love you all. I look forward to continued service with each of you!!!

Alive in Christ,

Bob Leko <><

Amazing, simply amazing! That is what God is to me. Just when I think I may have a handle on all of this, God amazes me...astounds me. We think we know, but He comes along and proves us wrong. We are humbled by His great works and come from behind wins to save the day. Nothing is impossible for Him and no one too lost to be found by Him. He does not break a sweat, even though we fall apart. No fear, God is here with us!

Flipside is officially back at the church now. With the basement flooding, we had been meeting at the Kroger household. The new multipurpose room that Flipside and Children's Ministry is using is working out great. I love the extra space and the new furniture we bought looks wonderful. The game room is a project in the making. We will be painting on logos and such in the coming weeks. My office is completely done and the extra space is very welcomed. We plan to meet in there for Step Up on Wed. nights.

Speaking of Step Up, we are under way with this ministry. We have been meeting now for over a month and have had a pretty loyal following. These are the youth that I can see leading in the years to come.

We started the Gospel Journey Maui reality tv study the first of Oct. and have decorated with that theme in mind. I really love this study and pray that many youth will find their way in the Lord.

Our after school ministry, called The Underground, has started up as well. I am hoping to see many youth come through our doors from Williston Middle and High schools. We will be in operation from the time school ends until 5pm. Games and snacks will be provided for the youth.

It was nice to get away to Minneapolis with some of the men from church to catch a Vikings game. I had a blast watching the Vikes beat the Packers, listening to the Twins beat the Tigers in extra innings, smashing a huge buck, getting pulled over by the police, and the great conversations on the drive to and fro. It really is fun being a Christian and there was no need for booze or drugs to have a super time either.

Please pray for the following: Dare to Share Event, Flipside, Step Up, The Underground, Nationals, Missions Trip, Adult leaders, and youth praise band.
