Thank you Lord for all your awesome blessings! Wow, Thanksgiving is upon us and by the time you get this newsletter it may have passed. God is so good to us and there are more things than we can count that He does for us to be thankful for each day. Take the time and read Psalm 100:1-5. It is a wonderful Psalm of being thankful to the Lord. We as a church need to take some time out of each of our days to just praise and thank Him!

The next big holiday that is coming is Christmas, the celebration and recognition of Jesus Christ's human birth, the time perfect God became perfect flesh to set up the outcome of our amazing salvation through faith in Him. Now that is the beginning of amazing grace! This Christmas please do not let the worldly customs that have snatched hold of the birth of Christ take precedence. As a church and individual families keep Christmas real in your homes, keep Christ first!!!

We have been busy this month and have had some new things develop at the church. First, I am now teaching a church Bible study going through the Book of Daniel and then later the Letter of Revelation. This study is not a small group, but a church study that meets every week at the church on Wednesdays at 6:30 PM – 8:00 PM. Come join us for this awesome study and prayer time. Second, we now have a new ministry and ministry team leader. The ministry is Prayer and the leader is Cari Foss. She is excited to have the opportunity to help teach the church the importance of prayer and set up times to come together and do it!!! Now that is an awesome and needed ministry in our church!

Please keep me and the church in your prayers, and have a great holiday season with your families and loved ones. May God's peace and grace over flow you in every area of your precious lives!!!

Merry Christmas and Happy New Year! I hope you all are enjoying this holiday season like I am. There is so much to be thankful for and so many ways that we can bless those around us. I hope that 2010 will be the best year of your lives!

Flipside has adjusted well to the new changes in décor and meeting arrangements. I think overall the youth like what we have done. We continue to work through our

Gospel Journey Maui stuff each week, as well as Step Up meeting on Wednesday nights. We continue to work through our Peer Leadership Training during that time.

I am really proud of Eric for giving his testimony in November. Eric really encouraged us, that no matter what you go through in life, that God is always in control. I was reminded to never judge a book by its cover...Eric has been through a ton in his life and he is doing well with the Lord.

The Underground is still meeting Tuesdays, Wednesdays, and Thursdays. We have had a full crew the past few weeks and if it keeps up, we will soon move to every day. I have heard that we will be getting a donated Wii gaming system for the youth, so that is totally awesome. The kids like to play the games downstairs, whether it is Ping Pong or Xbox. We also have been playing some outdoor games since the weather has been great. I have seen a good group of skaters frequenting our parking lot as well. I am very pleased!

The updates are coming along nicely in the basement. Come down and check out the new paintings in the Game Room. Soon we will have the surround sound put up and the mufflers/ tailpipes hung. The Flipside website is up and running. I will be getting trained in on how to update it soon. There are many good things happening at Liberty.

I want to say thank you for all the wonderful well wishes, prayers, and gifts for Pastor Appreciation Month. It really means a ton and fills my "tank".

It was nice to get away on a little vacation this last month with the family. We celebrated the boys birthdays and early Christmas. I had a chance to take another nice 8 pointer (four by four) and do some hunting with Josiah. We even saw a moose on the side of the road, East of Devils Lake. I really look forward to these long trips with Michele, because it gives us some great time to talk in an otherwise hectic schedule for us both. Relaxing time and I came home refreshed.

Remember this time of giving this Christmas time. Be a blessing to others and to God.
