

“SHARING THE RESPONSIBILITY”

Every believer has an important part to play in their local church in order for it to reach new people and to develop spiritually.

“...being fitted and held together by that which every joint supplies, according to the proper working of each individual part, causes the growth of the body for the building up of itself in love.”

Ephesians 4:16

As church team members it is our duty to share the responsibility for our church. We share the responsibility at Liberty.....
