

## “SOME THINGS WILL NOT CHANGE”

There are going to be a lot of changes in the coming months here at Liberty. But there also be some things that will not change.

- I. The **mission** of Liberty will not change. Matthew 28:16-20
  - A. Our mission is to **glorify God by making disciples of Jesus Christ** both in this community and throughout the world.
  - B. This mission is based on **Jesus Christ’s command.**  
Matthew 28:18b-19a
  - C. This command is to be carried out by **every generation.**  
Matthew 28:20b
  
- II. The **message** of Liberty will not change. Acts 4:1-12
  - A. Our message is that **Jesus Christ, and only Jesus Christ,** saves us from sin and from sin’s consequences.  
Acts 4:12
  - B. This message **begins** the mission process.
  - C. The **passing of time** and the **changing of society** does not change this message. Hebrews 13:8
