

# People are Mortal, but the Word of God is Eternal

## 2 Peter 1:12-15

### Three motives for why Peter wrote this Letter

- 1) The first is **obedience** to Christ's command
  
- 2) **V.12-14** - The second is we always need to be **reminded** of the Truth
  
- 3) **V.15** - The third is **diligence or work hard**, to make every effort in a hastened or zealous way  
to do the **work** God has for you (Peter's example)
