

“PLANNED FOR GOD’S PLEASURE”

We have already learned that we have been made by God for a purpose. This morning we discover our first purpose.

Our first purpose in life is to worship God.

- Worship is our response to discovering who God is. Revelation 4:9-11

- Worship is our response to discovering what God has done. Romans 12:1

Worship is essentially our response to love God.
Mark 12:29-30

- By expressing our affection to Him.

- By focusing our attention on Him.

- By using our abilities for Him.
