

“EXPERIENCING GOD’S GOODNESS:

WHAT I MUST DO! Pt. 1”

Romans 12:1-2

Why is it that some believers do not experience a transformed life? We find much of the answer in Romans 12:1-2. Let’s make five observations from this passage.

First, this is an **appeal**.

“I urge you”

Second, this is an appeal to **believers**.

“therefore, brethren”

Third, this is an appeal based on **God’s mercy**.

“by the mercies of God”

Fourth, this is an appeal to **complete surrender**.

“to present your bodies a living and holy sacrifice”

Fifth, this is a **reasonable** appeal.

“which is your spiritual service of worship”

We can conclude that in order to experience a transformed life, we must completely surrender to God!
