

“EXPERIENCING GOD’S GOODNESS:

WHAT I MUST DO! Pt. 2”

Romans 12:1-2

Why is it that some believers do not experience a transformed life? Much of the answer is found in Romans 12:1-2. This morning we will focus on verse two. It tells us...

...not to be **conformed**

“And do not be conformed to this world”

...to be **transformed**

“but be transformed”

...by being **renewed**

“by the renewing of your mind”

...so we may **experience** God’s goodness

“that you may prove what the will of God is, that which is good and acceptable and perfect”

We can conclude that in order to experience a transformed life we must renew our minds with God’s truth!
