

“MAKING 2008 A GREAT YEAR”

Matthew 28:16-20

What makes a great year?

A great year is one in which we

obediently **become better disciples** of Christ

obediently **help others to become better disciples** of Christ.

Jesus said “All authority has been given to Me in heaven and on earth. Go therefore and make disciples of all the nations,...”

Matthew 28:18-19a

“A disciple is a **believer** who is becoming more like Christ by **obediently** growing in character, in ability to minister to others, and in helping to make more disciples.”
